

# IMPORTANT BULLETIN!!!

ALL RV Manufacturers!!

## WATERFILL SCREEN WASHERS

**EFFECTIVE: FEBRUARY 25, 2008**

THE *NEW* RVIA STANDARD FOR WATER DISTRIBUTION TESTING (RV-07a/07) STATES THAT "RVIA's enforcement position will be to not allow the water distribution test be performed through the city water fill unless steps are taken to hold the backflow preventer in the open position"  
WHEN HOLDING THE BACKFLOW PREVENTER IN THE OPEN POSITION THE SCREENWASHER WILL NEED TO BE REMOVED TO PERFORM TESTING.  
THEREFORE, B&B MOLDERS WILL BE PROVIDING CORRESPONDING SCREEN WASHERS IN POLY BAGS PER CARTON FOR YOUR CONVENIENCE.

***REMEMBER!!  
INSTALL SCREENWASHER AFTER PRESSURE TESTING IS  
COMPLETE!!***
