Subject: Certification of kitchen faucet models CL-08237 and CL-08347; lavatory faucet models CL-04224, CL-04229B and CL-04316; and shower faucet models CL-04227, CL-04227B and CL-04228.

I am pleased to inform you that certification of the above noted products has been granted in accordance with the CSA B125-01 Plumbing Fittings standard and NSF 61 Section 9 Drinking Water System Components standard, for those applicable models. Please let this letter serve as notice of certification until the reports can be finished on our end. Listing of the products should be included in the CSA directory very shortly.

Any further questions regarding these faucets please feel free to contact me and refer to the project number 210856-1534112.

Sincerely,
